**Public Hearing Concerning Temporary Construction Easements for the
Wastewater System Improvement Project – September 14, 2009 – 6:45 pm**

Present: Mayor James A. Watson, Aldermen – Donnie Sanford, John Dennis, Larry Roberts and Dorothy Lanpher, City Superintendent Dennie Carothers

Guests: Elke Boyd, Shafer, Kline & Warren – Holly Krog – Dennis Williams – Candace Barton – Crystal Sickal

Mayor Watson called the hearing to order at 6:45 pm.

Since those attending the previous public hearings had questions regarding the temporary construction easements, a fourth hearing was held to address those concerns.

Candace Barton stated that she had serious concerns regarding the condition her yard would be in after the project was completed. It was explained to her that the contractor would not be paid the final payment until all properties were restored to an approved condition.

Dennis Williams had some questions for Elke regarding his mother's property and some trees in the easement area. Elke made note of the concerns.

Alderman Roberts moved to adjourn the public hearing. Alderwoman Lanpher seconded the motion. Aldermen Sanford, Dennis, Roberts and Lanpher voted aye. No nay votes. Motion carried.

Meeting adjourned at 6:50 pm.

Respectfully Submitted,

Cindy Bowman
City Clerk
